

AzPA Membership holds the key to your

professional and individual growth

Legislation Affecting Your Practice:

- Learn what **AzPA** is doing in response to legislation that is impacting your practice and how to assist

Information Exchange:

- The **AzPA** website offers valuable access to career opportunities, community and professional resources and your own web page!
- The **AzPA** listserves/forums provide the ability to interact with peers on important ethical questions, business practice information and client referrals.
- Access to the **AzPA** Ethics Committee for consultation.
- Representation and networking through special groups, such as Rural and Early Career Psychologist committees and regional affiliates.
- Consultations with experts on practice and ethical issues
- Subscription to the *Arizona Psychologist*, a quarterly journal
- Participation in the statewide AzPA Referral Service network

Education:

- Discounted member rates for all continuing education programs
- Annual convention with continuing education, networking and socializing.

Information Security:

- Inclusion in the **AzPA** Repository of Record Keeping, allowing you to store contact information for patients to comply with record keeping laws.

Health and Dental Discounts
