

We have been busy planning our annual silent auction. This is a fun event which adds an extra dimension to our stellar AzPA convention to be held October 23, & 24th. Please think of what you can donate to support the Foundation, and in turn, AzPA and the profession of psychology in Arizona. Plus, the value of these goods/services is tax deductible for you, making this a win-win deal.

Popular items to donate are:

- Vacations
- Timeshares, use of a cabin or condo
- Airline miles
- Tickets to sports events, concerts or plays
- Legal and financial planning consultation
- Restaurant gift certificates
- Personal services—hair salons, spas, etc.
- Art work
- Jewelry
- Sports memorabilia
- Theme baskets – wine, Italian dinner, etc.

To donate, contact Dan Welker, Auction Co-Chair at: dhwelker@yahoo.com or contact anyone on our auction committee: Jeff Thomas, Co-Chair, Barrie Wagner, Andrea Scott in Northern Arizona or Chris Lebovitz.

Attention, major (and minor) donors and anyone who may know one: Our dream is to own an office building, giving us a permanent location for AzPA. A large lecture hall would enable us to provide public education at nominal cost, along with professional training/continuing education. Direct gifts are welcome and contributions may also be made through the Leave a Legacy program.
