You are invited to take part in our annual silent auction at the Arizona Psychological Association convention, to be held at the Hilton El Conquistador Resort in Tucson, October 15-16.

This is a select marketing opportunity, as the convention attracts several hundred psychologists, plus vendors and prominent speakers from around the country. Those attending the convention pass through the auction exhibit area as they enter and exit meeting rooms and during breaks; the auction is a popular feature of the convention and is highlighted throughout the event.

The Arizona Psychological Foundation is a nonprofit organization which supports public education, research, training, service and excellence in the profession. We have provided scholarships for graduate students to attend conventions and funded research on domestic violence. Our dream is to purchase an office with a large lecture hall where public educational talks can be provided at nominal cost and other nonprofit agencies can also use the hall to assist the underserved.

We thank you in advance for your tax-deductible contribution to further the cause of psychology in Arizona.
