Applicant Interview Notification

Dear Internship/Postdoctoral Residency Applicant:

Thank you for your interest in the Arizona Psychology Training Consortium. Your written application for an internship/postdoctoral residency position with the Consortium at

has been reviewed. The following determination has been made:

- You are under consideration and we would like to offer you an interview. Please call _____ at _____ to schedule an interview.
- You are under consideration, but this training site does not conduct interviews.
- You are no longer under consideration at this training site.

If you have applied to other Consortium training sites, each training site makes an independent review of all applications. This decision will not affect your application at those other sites. We wish you well throughout the internship/postdoctoral residency selection process.
